

BorderGuard is a simple, rigid paving restraint made from 100% recycled materials that is available in 3.28 ft (1 meter) pieces.

It offers a slim vertical edge that is virtually invisible and provides an aesthetic finish to its applications. Excellent alternative to concrete borders.

Can be used with a variety of paving materials; pavers, GrassGrid, soft landscaping.

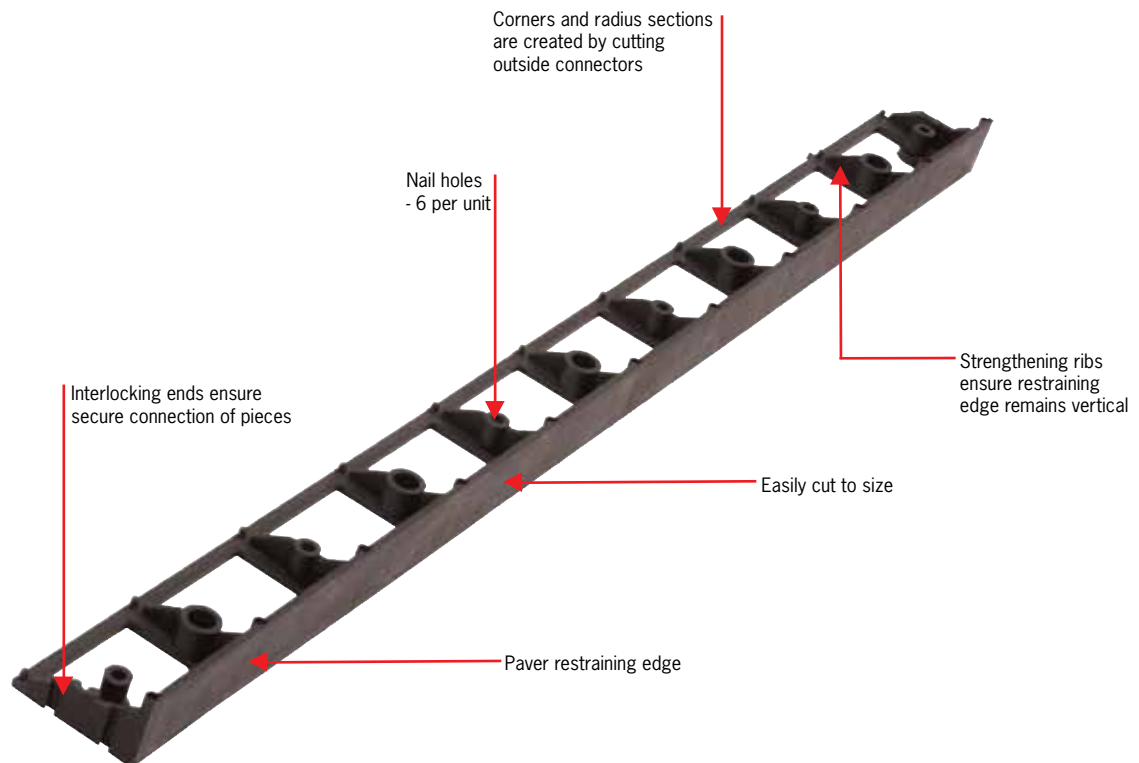

Used in paver/landscape applications such as:

- Patios
- Walkways
- Flowerbeds
- Driveways
